EDUCATION

HIGHER SECONDARY EDUCATION

**Govt.Model Sen. Secondary
School / Chandigarh / 2021**

- Achieved a distinction in Higher Secondary Education with an 80% score in the non-medical stream.

BACHELOR OF TECHNOLOGY

**I.K.Gujral Punjab Technical
University / Punjab / 2025**

- Pursuing a Bachelor of Technology in Computer Science Engineering.

I am an enthusiastic Computer Science student, distinguished by my superior ability to thrive in both collaborative and self-directed environments. My robust work ethic and exceptional organizational skills are assets I am eager to contribute to any professional setting. With above-average proficiency in information technology and social media, I am keen to apply my knowledge in a practical context. Currently, I am seeking an internship in software or web development, where I can acquire hands-on experience and further hone my skills. My outgoing personality and unwavering determination underscore my strong drive to excel in my future endeavors.
